ABOUT FRANDSEN

Frandsen jackets and coats stand for high quality, perfect fitting and details that get noticed – season after season.

We design outerwear for quality-conscious women who value having aesthetics and functionality in one and the same garment. The brand is known as one of Europe's most successful outerwear manufacturers for women – and has been for over 50 years.

The designs range from the more classic cuts to elegant coats in a variety of fashionable colours and styles. The brand uses a broad range of robust fabrics, ranging from cashmere wool to technical fabrics with water-resistant functions to ensure that you are properly dressed – no matter the season.

Our beautiful, durable jackets and coats are sold in shops all over the world.

Frandsen is one of 14 recognised brands owned by the Danish fashion company Godske Group.
